

M.Arch 2020 Candidate

Cameron Foster

Clemson University CAC.C

Mentored by

Andy Clark

AIA, LEED AP

Liollio Architecture

August
2019
to
December
2019

Goals with Liollio

To better understand:

The relationship between Client & Architect and how projects are acquired in the process

How the different design phases are delegated in an office and how drawings are used/made at each stage

Detailing of interior and exterior buildings in Revit

The responsibilities of Architects & Designers during the construction phase of projects
